Notice regarding creation of NAD id to access academic documents in NAD

National Academic Depository (NAD) is a central database where academic records are uploaded for easy access to all stakeholders. The vision of National Academic Depository is born out of an initiative to provide an online store house of all academic awards. National Academic Depository is a 24x7 online store house for all academic awards viz. certificates, diplomas, degrees, mark-sheets etc. duly digitized and lodged by academic institutions/ boards/ eligibility assessment bodies.

Government College of Engineering and Ceramic Technology (GCECT) in association with Maulana Abul Kalam Azad University of Technology (MAKAUT), West Bengal has been uploading examination certificates in the NAD database. To access the same by different stakeholders, all certificates need to be linked with NAD id of the individual students. To facilitate the same, all students are advised to create NAD id and send the same to the college email id: gcect.coe@gmail.com.

The NAD id could be created through the website <https://nad.ndml.in/> and through the link <https://nad.ndml.in/NAD/newStudentRegistrationScreen.html> using their AADHAR. Please make sure to submit the NAD id to the college by the B.Tech and M.Tech passout students of 2019-20 academic year within 30.06.2020.

For any assistance, all are advised to write the query in the 'Support' system of the portal.
