

# POLICY OF STUDENTS' ACTIVITIES

The Institute is committed to molding its students into responsible citizen with integrity, human values and intellect during their course of study/association. To realize this, the institute should take special care and attention during their academic career for ensuring their holistic development and constructive contribution in the nation building.

Objectives:

To provide all round development to the students in terms of co-curricular and extra-curricular activities

1. To organize the events in a planned manner
2. To monitor and record students' performance and awards
3. To support students in their activities financially and through experts so as to take them to the next level
4. To maintain records of all activities
5. To allocate marks based on participation
6. To encourage students to excel in sports and cultural events outside the institution, providing seed money / travel and other support
7. Extended workshops and library for the projects/ competitions
8. Internship and apprenticeship opportunities to be created
9. Entrepreneurship cell to reach out to the students
10. Building an inclusive innovation ecosystem
11. Ethics infusing mechanism
12. Student participation and activities in various institutional bodies to promote leadership quality and build confidence in students.
13. Various clubs can be formed for interaction and relationship with the students for their holistic support, progress and development.
