Minutes taken Report on the resolutions of the 7th meeting of Academic Council held on 11th August, 2017

No	Gist of minutes cum resolutions	Action Taken
	<p>The Principal placed the proposal of holding the first convocation of the institute on 26th August, 2017, for degree certificate conferment on the successful candidates of B.Tech. batches of 2016,2017 and M.tech. batches of 2014,2015,2016,2017,. The members approved the proposal.</p>	<p>The first convocation of the institute was held as planned successfully in presence of the Vice Chancellor, MACAUT, on 26th August, 2017</p> <p style="text-align: center;">/k</p>
2	<p>The proposal with regard to running an M.Tech course on ceramic technology jointly with CGCRI required some modification; the members urged that a formal Memorandum of understanding be signed both by CGCGI authority and the College. The Principal requested HODs/Faculties to explore further the possibility of collaboration with CGCRI.</p>	<p>In line with the suggestion of the Principal, M.Tech projects of CT department are being carried out in collaboration with CGCRI. IT department has identified two B.Tech projects which can be executed jointly.</p> <p>Regarding the proposal of jointly running an M.Tech course in Ceramic Technology, the Principal has written to the government seeking approval. On receiving the green signal, further action will be initiated from the college end</p>
3	<p>The members observed that from the spirit of the regulation it is amply clear that a candidate can't be declared as passed if he/she doesn't clear the non-credit papers at some stage within the duration of his/her studentship .</p>	<p>In line with the recommendation, the results of two students of IT department were declared incomplete due to failure to clear mandatory course in 5th semester.</p>
4	<p>The members asked the faculties to discuss the scope offered by MOOCS in the BOS of respective disciplines to choose suitable courses from SWAYAM portal which could be made a part of the syllabus by fulfilling the requirement of such courses.</p>	<p>The local chapter of NPTEL has already been opened in the college and the library possesses soft copy of video lectures for access of students and faculties. A basket of courses has already been prepared by the college to place before the council for approval so that the students can take advantage of it for securing graduate degree with honors from the academic session 2018-19</p>

Memo No. GCECT/09/AC/2018

Dated : 31st October, 2018

To
Sir / Madam,

Sub:- 9th Meeting of the Academic Council of Government College of Engg. & Ceramic Technology

In view of the strong suggestions made by the UGC peer team during the visit for renewal of autonomy and subsequently institute's successfully qualifying for continuation of autonomy, it has become necessary to introduce a new academic regulation with more emphasis upon internal assessment and transparency in evaluation of students' performance. A meeting will be held on 16th November, 2018, at 2.00 P.M. in the Conference Room of the college to consider the new draft academic regulation.

Agenda :

To confirm the minutes of the 8th meeting held on 26th June, 2018.

To discuss the Action Taken Report on the resolutions taken in the 8th meeting.

To consider the new draft academic regulation.

Miscellaneous.

The copy of the new draft regulation will shortly follow.

You are earnestly requested to attend the meeting and we are eager for your invaluable inputs in giving the regulation its final shape .

Yours truly,
