2017-18 Batch Student Satisfaction Survey report

Student Satisfaction Survey:: Government College of Engineering and Ceramic Technology

Guidelines for Students::

NAAC (National Assessment and accreditation council) is conducting a Student Satisfaction Survey regarding Teaching – Learning and Evaluation, which will help to upgrade the quality in higher education. A student will have to respond to all the questions given in the following format with her/his sincere effort and thought.

How much of the syllabus was covered in the class?

How well did the teachers prepare for the classes?

How well were the teachers able to communicate?

The teacher's approach to teaching can best be described as

Fairness of the internal evaluation process by the teachers.

Was your performance in assignments discussed with you?

The institute takes active interest in promoting internship, field visit opportunities for students.

The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth

The institution provides multiple opportunities to learn and grow.

Teachers inform you about your expected competencies, course outcomes and programme outcomes.

Your mentor does a necessary follow-up with an assigned task to you.

The teachers illustrate the concepts through examples and applications.

The teachers identify your strengths and encourage you with providing right level of challenges.

Teachers are able to identify your weaknesses and help you to overcome them

The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

Teachers encourage you to participate in extracurricular activities.

Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

The overall quality of teaching-learning process in your institute is very good.

TEACHERS FEEDBACK

Teacher's Feed Back for the Year 2017-18

Questionaries:

The Vision & Mission of the Institute and your department are known

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

The pre-requisite and objective of the courses are well defined and clear to teachers and students

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

The programme of studies carries sufficient number of elective papers.

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

Course outcomes of the courses are well defined

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

Curriculum having good academic flexibility

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

The course content fulfils the need of students

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

Need to fully review the syllabus

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

Facilities are made available for ICT based teaching to students

■ Strongly Agree ■ Agree ■ Disagree ■ Strongly Disagree

List of Respondents:

SI No	Name of the Teacher	Designation	Dept.
1	Dr. (Mrs.) Kaberi Das	Assistant Prof.	CT
2	Prof. (Dr.) Mausumi Maitra (Mazumdar)	Prof. & HOD	IT
3	Dr. (Mrs.) Paramita Dey	Assistant Prof.	IT
4	Prof. (Dr.) Kalpana Saha	Prof. & HOD	CSE

Employer Feedback Form (2017-18)**

Dear Employer,

Greetings to you. I take this opportunity to express our gratefulness for giving employment to our graduates. Many of our graduates are working in your organization. We shall be thankful to you, if you can spare some of your valuable time to fill up this alumni employers' feedback form and give us your valuable suggestions for further improvement of the Institute. Your inputs will be of great use to improve the quality of our academic programs and enhance the credibility at national level. This feedback will certainly be helpful for various purposes including decision-making for improvement.

	Name	Department

Department of Information Technology
Resolution of the Departmental Committee Meeting
HELD ON 08.05.2018

<u>Agenda</u>	<u>Proceedings / resolution</u>	<u>Action Taken</u>
<u>Agenda1 :</u> Subject allocation for the odd semester B.Tech. and M.Tech. classes, 2018	1. Subject allocation for the odd semester B. Tech. and M. Tech. classes, 2018 was made among the full time and part time faculties of the department.	1. Classes were taken as decided in the meeting
<u>Agenda2 :</u> Class routine preparation for the odd semester B.Tech. and M.Tech. classes, 2018	2. It was also resolved that Mr. Atanu Paul will prepare the class routine for the odd semester B.Tech. and M.Tech. classes, 2018.	2. Routines were prepared by Mr. Atanu Paul and it was circulated among the faculty members and finally confirmed in the FC meeting.
<u>Agenda 3:</u> <u>3.1: Students' Feedback Teaching-Learning process</u> 1. Coverage of Syllabus 2. Preparedness of the Teachers 3. Delivery of contents 4. Use of ICT tool	1. Almost 80 % of the students are satisfied with the coverage of the syllabus in the class 2. Most of the students (98.8%) expressed that teachers were well prepared in the class 3. Most of the students expressed that the teaching was excellent, very good and good. 4. Percentage of faculty members using ICT tool is about.	1. HOD assigned mentors for academic year 2018-19 to counsel the students. Rest of the students were counseled to attend classes regularly to keep track of the progress of the course. 2. Rest of the students were counseled to attend classes regularly so that they could understand the discussion in the class properly 3. The mentors interacted with their mentees to sort out the problem of understanding in the class. 4. Faculty members were encouraged to use more ICT tool for more student centric learning

5.Mentoring System	5. Most of the students are satisfied with the mentoring systems	5. Mentors in each semester were engaged to help the mentees as per allocation.
6.Evaluation Process	6. Most of the students are satisfied with the internal evaluation process	6. A proposal was sent to the higher authority so that the students would be allowed to view the evaluated answer script for maximum transparency.
7.Training Internship	7. Most of the students are satisfied with the training / internship facility of the institute in a regular or proper manner.	7 . Summer training / internship is compulsory for all students and they were guided by the training in-charge to take training as per their area of interest.
8.Skill Development	8. Only 48 % students are strongly satisfied with the courses which are addressing soft skills, life skills and employability skill.	8 : Initiative was taken for revision of syllabus to incorporate the matter.
<u>Agenda 3 :</u> <u>3.2:Faculty Feedback</u>		
1.Use of ICT Tools	1: 50% of faculty members use ICT tools for most of their classes and find there is sufficient facility.	1 : All faculty members were encouraged to use smart classroom and ICT tools
2 : Revision of Syllabus	2: 50 % of the faculty members agree with the fact that there is a requirement of revision in syllabus	2 & 3: Department had taken initiative to revise the course structure as per AICTE guideline, 2018 and to include more number of elective papers in the bucket.
3 : Inclusion of more number of elective Papers	3, 33% of the faculty members suggest for inclusion of more elective papers in the syllabus	
<u>Agenda 3 :</u> <u>3.3:Alumni Feedback :</u>		
1 : Revision of syllabus	1: Most of the alumni feel courses are skill oriented but according to 50% of them it can be made better and some of the alumni suggested more elective papers in the syllabus	1 : Department had taken initiative to revise the course structure in such a way that it could enhance the employability skill of the students.
2 : Project Work	.2 : Alumni are very satisfied with project guidance and learning resources	2 : Faculties were encouraged

		to maintain the quality of project work.
<u>Agenda 3 :</u> <u>3.4:Employer</u> <u>Feedback :</u> 1 : Performance 2 : Specialized Skill	1 : Most of the employer are satisfied with the performance of the students employed in the organization. Most employers agree with the fact that the content learnt in Graduate degree programs in relation to their industry is very satisfactory 2 : Most employers asked for specialized skills.	1 : Initiative was taken to include more Industry oriented in the syllabus. 2 : WIPRO TalentNext has been introduced which offers five specialized courses.
<u>Agenda 3 :</u> <u>3.5:Guardian</u> <u>Feedback :</u> <u>1 : Syllabus</u> 2 : <u>Learning Environment</u>	1 : Most of the guardians are satisfied with the course structure and the contents of the syllabus. 2 : Most of the guardians are satisfied with teaching learning systems of the institute and asking for more guidance for their ward.	1 : The syllabus should be modified to include more advanced courses with the advancement of new technologies 2 : Mentors should identify weak students for remedial classes and advanced learners for advanced classes

Agenda 4 :
Miscellaneous

Discussion was made regarding preparation of laboratories for the ensuing Autonomy Visit

Preparation of laboratories were made before the visit

Department of Information Technology
Resolution of the Departmental Meeting of Information
Technology

HELD ON 07.05.2019

<u>Agenda</u>	<u>Proceedings / resolution</u>	<u>Action Taken</u>
<p><u>Agenda1 :</u> Subject allocation for the odd semester B.Tech. and M.Tech. classes, 2019</p>	<p>1.Subject allocation for the odd semester B.Tech. and M.Tech. classes, 2019 were made among the full time and part time faculties of the department.</p>	<p>Classes were taken as decided in the meeting</p>
<p><u>Agenda2 :</u> Class routine preparation for the odd semester B.Tech. and M.Tech. classes, 2019</p>	<p>It was also resolved that Mr. Atanu Paul will prepare the class routine for the odd semester B.Tech. and M.Tech. classes, 2019.</p>	<p>Routines were prepared by Mr. Atanu Paul and it was circulated among the faculty members and finally confirmed in the FC meeting.</p>
<p><u>Agenda 3:</u> <u>3.1:Students' Feedback Teaching-Learning process</u></p> <p>1. Coverage of Syllabus</p> <p>2.Preparedness of the Teachers</p> <p>3.Delivery of contents</p> <p>4.Use of ICT tool</p>	<p>1.Almost 80 % of the students are satisfied with the coverage of the syllabus in the class</p> <p>2.Most of the students(98.8%) expressed that teachers were well prepared in the class</p> <p>3.Most of the students expressed that the teaching was excellent, very good and good.</p> <p>4. 60 % of faculty members are using ICT tool.</p>	<p>1. HOD assigned mentors for academic year 2019-20 to counsel students for attending classes regularly and monitor the progress of the course.</p> <p>2. Rest of the students were counseled to attend classes regularly so that they could understand the discussion in the class properly</p> <p>3.The mentors interacted with their mentees to sort out the problem of understanding in the class.</p> <p>4.Faculty members were encouraged to use more ICT tool for more student centric learning</p>

<p>5.Mentoring System</p> <p>6.Evaluation Process</p> <p>7.Multiple opportunity for learning process</p> <p>8.Skill Development</p>	<p>5. Most of the students are satisfied with the mentoring systems</p> <p>6. Most of the students are satisfied with the internal evaluation process</p> <p>7. Most students agree with the fact that institute provide multiple opportunities for learning process</p> <p>8. Only 48 % students are strongly satisfied with the courses which are addressing soft skills, life skills and employability skill.</p>	<p>5. Mentors of 3rd semester were advised to help students in choosing their elective papers from MOOCs basket and choice based credit system. A proposal was accepted in BOS and AC that 20 credit points from MOOCs courses would enable them to earn honors degree.</p> <p>6. Students were allowed to view the evaluated answer script for maximum transparency.</p> <p>7. HODs and other faculty members encouraged the students to avail maximum benefits like participating into other courses offered by the institution (Wipro Talent Next, TCS TAAP).</p> <p>8 : Initiative was taken to enhance employability skill by organizing workshop on “Angular and Node JS” by OgmaTechlab for final year students.</p>
<p><u>Agenda 3 :</u> <u>3.2:Faculty Feedback</u></p> <p>1.Mission-Vision</p> <p>2. Awareness of pre-requisite and objective of courses</p>	<p>1: In departmental meetings, Mission and Vision of the department was discussed.</p> <p>2: Faculty members are preparing new syllabus by incorporating pre-requisites and course objectives</p>	<p>1 : Faculty members are aware of vision and mission of the institute and the department</p> <p>2 : Those were included in the detailed syllabus of revised 3rd semester syllabus.</p>
<p><u>Agenda 3 :</u> <u>3.3:Alumni Feedback :</u></p> <p>1:Revision of syllabus</p> <p>2 : Project Work</p>	<p>1: Most of the alumni feel courses are skills oriented but according to some, it can be made better</p> <p>2 : Alumni are very satisfied with project guidance and learning resources.</p>	<p>1 : It was discussed that the yllabus would be modified according the current industrial demand</p> <p>2 : Faculties were encouraged to maintain the quality of project work.</p>

<p>3:Content Learning</p>	<p>3. Most of the alumni agree with the fact that the content learnt in relation to their current job is very satisfactory.</p>	<p>3. With the advancement of recent technologies, it was suggested to incorporate new courses to make the students industry ready.</p>
<p><u>Agenda 3 :</u> <u>3.4:Employer Feedback :</u> 1 : Performance</p> <p>2 Specialized Skill</p>	<p>1 :_Most of the employer are satisfied with the performance of the students employed in the organization. Most employers agree with the fact that the content learnt in Graduate degree programs in relation to their industry is very satisfactory</p> <p>2:Most employers asked for specialized skills.</p>	<p>1 : New industry oriented courses like “Programming in Python” and C++ were included in the 2nd year B.Tech. course.</p> <p>2 : WIPRO TalentNext has been introduced which offers five specialized courses.</p>
<p><u>Agenda 3 :</u> <u>3.5:Guardian Feedback :</u> <u>1 : Syllabus</u></p> <p><u>2 :</u> <u>Learning Environment</u></p> <p><u>3: Inclusion of Electives</u></p>	<p>1 : Most of the guardians are satisfied with the course structure and the contents of the syllabus.</p> <p>2 : Most of the guardians are satisfied with teaching learning systems of the institute and asking for more guidance for their ward.</p> <p>3. Most of the guardians agree with the fact that the syllabus are well structured but there is a provision to include advanced subjects like AI, Machine Learning etc.</p>	<p>1 : It was agreed that the syllabus should incorporate more advanced courses with the advancement of new technologies</p> <p>2 : HOD allocated mentors’ list and the mentors were advised to identify weak students for remedial classes and advanced learners for advanced classes.</p> <p>3. It was discussed in the departmental meeting to include such advanced electives in 3rd year and 4th year syllabi under new structure.</p>

<p><u>Agenda 4 :</u> Preparation of revised detailed syllabus of 3rd semester IT, as per AICTE guideline 2018</p>	<p>Discussion was made regarding preparation of detailed syllabus and respective faculty members took responsibilities to prepare it.</p>	<p>Preparation of detailed syllabus of 3rd semester B.Tech. course was completed in due course of time and it was also confirmed in the 13th BOS meeting of the department held on 14.05.2019 before the commencement of the classes in the academic year 2019-20</p>
<p><u>Agenda 5:</u> <u>Miscellaneous</u></p>	<p>Faculties were advised to place requisition of laboratories so that the laboratories would be ready before the commencement of odd semester classes.</p>	<p>It was done accordingly.</p>

1. Action taken on student feedback analysis

- (i) It is unanimously decided that, Students will be counselled thoroughly, for attending their regular semester classes in the aspects of evaluating their continuous progress.
- (ii) Next, it was also suggested by the faculty members that, respective student Mentors should play a critical role in the student counselling process in order to trace out their specific problems issues while attending classes. Additionally, the forum also suggested that, the students will be encouraged to participate in different industrial training programmes, conducted by the reputed IT industries hosted in the college.
- (iii) Further, it was also decided that, the summer internship is mandatory for the students and they can apply for this event based on their area of interest.
- (iv) Apart from this, faculty members have suggested that, mentors should help the students while choosing their MCOOs course.
- (v) Finally, the forum has also advised that, all the faculties should use more and more ICT tools for better student centric learning and some latest emerging courses/subjects can be incorporated in the syllabus.

2. Action taken on teacher feedback analysis

- (i) It is resolved that, the current syllabus will be revised from the next session as per the AICTE model curriculum and in this context faculties are advised to study the latest course structure/curriculums of AICTE and different reputed universities.

3. Action taken on Alumni feedback analysis

- (i) First of all it is decided that, the proposed new curriculum must incorporate some latest emerging subjects to meet the industry requirement significantly.
- (ii) Next, it was also resolved that, a policy will be framed to ensure the quality of student project work.
- (iii) Further, it was also planned that, more number of elective papers should be incorporated and offered to the students in the proposed new curriculum.

4. Action taken on Employer feedback analysis

- (i) It is first of all decided that, more internships and field trips should be encouraged for the students, in order to maintain sufficient number of job offers them and a policy need to be framed for this.
- (ii) Further, it was also decided that, the industry trained faculties of the dept. will conduct some interactive sessions with the students for making themselves aware of the skills sets required for the IT industry.

5. Action taken on Guardian feedback analysis

- (i) It is resolved that, the mentors will identify the weak/lagging students and consult with them to identify their specific problems or issues and subsequently have a communication with their guardians.
- (ii) Further, it was also decided that, mentors will also keep track of the activities of these weak students in the respective remedial classes.
- (iii) Next, it was also planned that, mentors will also identify the advanced learners and will also interact with them regarding their activities in the respective remedial classes.

Minutes of the CSE departmental review meeting held on 14/05/2019 regarding different Feedback Analysis Members present -
