Vacancy: B.Tech 1st year: 10 Nos.

Selection procedure:

- The details provided by the student will ^{be} checked thoroughly. In case any false declaration is found the authority will discard that application.
- The selection list will be prepared giving priority on two parameters, family income and distance of the college from the applicant's home. First, a normalisation (mathematical tool) process will be done on the income and distance and finally, 50% weightage on both family income and distance will be given.

Relation between selection parameters:

Lower is the family income higher is the chance of selection in hostel
and

Higher the distance of the college from the applicant's home higher is the chance of selection in hostel
